

TOMBO DEN

PRIVATE DINING

TOMBO DEN

An immersive homage to Japanese food and culture from acclaimed restaurateur Chris Lucas, set in the buzzing heart of Chapel Street.

Moody and evocative in design, Tombo Den captures the energy of late-night Tokyo and its iconic food scene, showcasing hero produce cooked over coals, and with a centrepiece sushi counter championing premium Australian seafood.

THE DEN

Perched above Chapel Street on Level One of Tombo Den, The Den is your own private slice of late-night Tokyo, with space to seat up to 38 guests.

The room is kitted out with three 75-inch TV screens, as well as a fully integrated, state-of-the-art sound system, ideal for screenings, presentations and other AV requirements. Or, you can really get into the Tombo spirit with karaoke; a special signature offering available exclusively to nighttime events held in this space.

Treat your guests to a range of share-style setto menus, with free-flowing beer and wine packages, and plenty of signature cocktails also on offer.

LEVEL ONE – EXCLUSIVE HIRE

As moody and immersive as its downstairs counterpart, Level One of Tombo Den is available to hire in full for your exclusive enjoyment. Incorporating the private space we’ve dubbed The Den, it can host up to 80 guests for a seated event, or up to 60 guests for a mixed-format celebration using the bar and lounge area for drinks and canapés.

The space boasts its own dedicated cocktail bar, which you’ll have all to yourselves. And for nighttime events, why not level things up with a private karaoke session?

You can treat your guests to a range of share-style setto menus, with free-flowing beer and wine packages, and plenty of signature cocktails also on offer.
